

4v4 League Rules

The League

- There will be 2011/12 boys and girls division offered
- The divisions may be combined depending on number of teams registered
- A 2012 division or 3 separate divisions could be created
- Team fee is \$600
- 8 games

The Game

- 4v4, no goalkeeper
- The game will consist of (2) 18-minute halves
- Teams will have a 2 minute half time and must switch goals that they defend
- When there is approximately 9:00 remaining in each half, the referee will blow the whistle. Both teams will be allowed to substitute their players. The clock will not stop and coaches are not allowed to gather for a team talk. This time is for subbing only
- Goals – 4 feet high by 8 feet wide

Coaching

- Both teams will share a bench but each coach will have their own door
- Subbing can be made on the fly or at natural stoppages of play

Field Size and Out-of-bounds

- We will drop our large curtain dividing the field in half allowing a game to be played on either side of the field at the same time
- All boards are in play
- When defending the end with the big red goal we will have boards set up to keep the ball in bounds
- When defending the end near the curtain we will have blow up dividers to help keep the ball in bounds as much as possible. Though it will not be a bounce like off the boards, the ball will be live when it hits the dividers. If the ball goes over the dividers or off in the corner then a goal kick or corner kick will be awarded
